Customer comment: I stumbled across Unisoft while searching for a software solution to improve our manual and semi auto assembly operations. I found what I was looking for and much much more! If you work in the electronics industry as a Manufacturing Engineer, Quality Inspector, Test Engineer or Test Technician it is worth your while to get familiar with Unisoft's products.

A portable source of light probably started with a cave man carrying a burning stick of wood. There have been many portable light sources based on burning something. Once the dry cell battery became available flashlights became more popular than they were when a lead acid or other wet battery was needed.
