Read Drone Wars Transforming Conflict Law and Policy PDF

Conflict, security and defence. It is this human cost—and the degree to which pro-drone advocates have engaged in sophistic arguments to conceal it—which motivates French philosopher Grégoire Chamayou in Drone theory to unpack the concept and arguments used to rationalize the use of drones in armed conflicts and targeted killings.

Drone wars, edited by Peter L. Bergen and Daniel Rothenberg of the New America Foundation, provides a thorough overview of the contemporary debate around drones. Although it is largely about targeted killings, this volume is admirably balanced and organized, containing both “pro-drone” and “anti-drone” arguments side by side, and includes a range of distinguished contributors from both sides of the fence.

Drone wars: transforming conflict, law, and policy. Edited

Drone Wars, Transforming Conflict, Law, and Policy, edited by New America's Vice President Peter L. Bergen and New America Fellow and Professor at Arizona State University Daniel Rothenberg certainly deserves both.

"Drone Wars: Transforming Conflict, Law, and Policy" by

Drone Wars documents the current state of the field at an important moment in history when new military technologies are transforming how war is practiced by the United States and, increasingly, by other states and by non-state actors around the world.

drone wars - Cambridge University Press

REVIEWS. The book Drone Wars is an extensive anthology on the current debates surrounding the use of armed aerial drones in contemporary conflicts. The editors compiled a list of twenty-two essays and divided them into four major topic areas: drones on the ground, drones and the law of war, drones and policy, and drones and the future of war.

Peter Bergen - Drone Wars

the use of drones in non-conflict areas. Since the beginning, their analysis has outlined two different schools of thought on the legal frameworks applicable on their use outside active conflict 3Peter L Bergen andDaniel Rothenberg, *Drone Wars: Transforming Conflict, Law, and Policy*(Cambridge University Press, 2014), 130.

Targeting Westphalian Sovereignty: The Use of Armed Drones

Drone Wars documents the current state of the field at an important moment in history when new military technologies are transforming how war is practiced by the United States and, increasingly, by other states and by non-state actors around the world.
