Institutional Normative Order: A Conception of Law

The original proponents of the normative theory of law are Hans Kelsen² and Frantisek Weyr⁵ Both authors gave an exhaustive exposition of the theory in several major treatises. It is the object of this article to give an outline of the normative theory of law as expounded by

The Normative Theory of Law

Law as institutional normative order is conceptually distinct from morality and from politics. By focusing on an idea of institutional normative order, one negates the existence of any analytically necessary nexus between law and state. Law is institutional normative order, and state-law is simply one form of law.

Legal Framework: Institutional Normative Order - Oxford

This book establishes a framework for analysis of the institutional and normative character of the WTO by locating the organization in a broader theory of international institutional law and in determining the basis for the conferral and exercise of powers in relation to its executive, legislative and adjudicative functions.
