the new geopolitics of the middle east: americaâ€™s role in

The New Middle East is one of the first comprehensive books to critically examine the Arab popular uprisings of 2011â€“12. While these uprisings prompted a number of cursory publications, this volume contains meticulous and thoughtful reflections on the causes, drivers and effects of these seminal events on the internal, regional and international politics of the Middle East and North Africa.

The New Middle East edited by Fawaz A. Gerges

The Middle East regions are still independent in thought, culture and language but, barring external meddling, maintain a coherent co-existence. They must resist this imperialist plan or accept subjugation to the West.
